## **Core Table Lamp**

*Runa Klock*

The Core Table Lamp exudes honesty with its rough surfaces and bold contemporary form. Its precise production is coupled with a raw Lundhs Blue composition, as its crystals shimmer and dance under the illuminated light to display a life all of its own. Appearing as if cut directly from the earth, the Core Table Lamp brings a refined slice of Norway's rugged landscape into the home.

### **About the designer Runa Klock**

Brought up on Norway's rugged western coast, Runa Klock's work is often inspired by nature, and influenced by a strong fascination in materials and craft. Runa's work is characterized by experiments and collaborations across a variety of disciplines; her practice extends beyond product design to encompass food, spaces and engaging in many interdisciplinary projects. Playful and influenced by storytelling, several of her projects also have a strong social profile.
